

Ganga is a girl with a disability. She

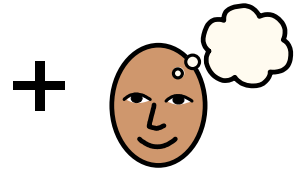

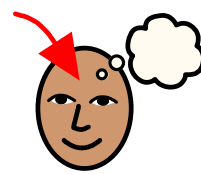

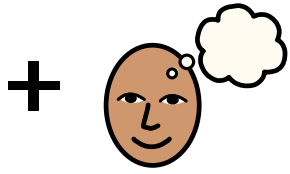

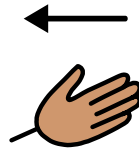

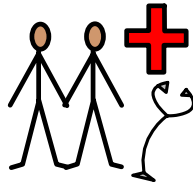

The doctors helped Ganga so she could

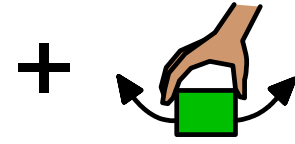

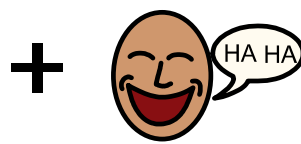

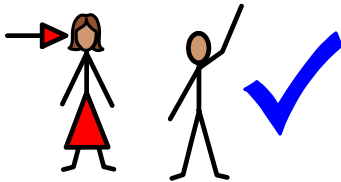

see and hear and move and kick

and think! Ganga could learn and think

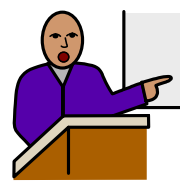

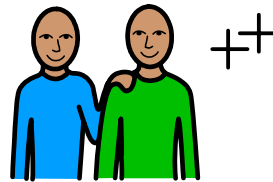

very well! The doctors helped Ganga so

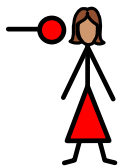

she could laugh and joke and use

a

a computer and have friends and talk

with her eyes!

But the doctors could not help her to

talk or walk. So this is why

Ganga is sad and angry and jealous

because other children can walk and talk.

Mummy knows Ganga is upset.

Mummy loves Ganga.
